

VADIM MURY

Jeweller, Polisher & Stone Setter

18 ANS

Graduate trained on real pieces in a production school. Ready to work at the bench.

TRAINING

SAINT ÉLOI, PRODUCTION SCHOOL

Production School | Faverges

Two-thirds of the time is spent at the bench, tools in hand.
You learn the craft by doing, on real pieces, held to the standards of a working atelier.

REAL ORDERS

Learning by doing | Trained on genuine orders

Real subcontracted orders, entrusted to the workshop by jewellery houses. These were pieces destined for actual clients, with the level of execution and finish that real orders demand.
